# ABOUT DREAM LAW

DreamLaw, a leading online platform that aims to revolutionize the way law is taught and make quality legal education accessible to everyone. Our journey began in 2013, when a group of passionate law students started a page called "DeadlyLaw," which gained popularity across various social media platforms. In 2015, we launched our own law journal, the Journal of Legal Research and Analysis, and later shifted our focus towards education.

At DreamLaw, we aim to provide everything a law student needs to excel in their career. We offer a range of certificate courses on topics such as Insolvency and Bankruptcy Code, Trademarks Laws, Copyright Laws, Drafting, Pleading, and Conveyancing. With many courses in the pipeline, we are continually progressing towards our goal of providing affordable and accessible legal education.

We take pride in having 270 learners and 450 graduates from around 20 states who have benefitted from our courses.

DreamLaw believes that the journey of a law student begins from law school entrance exam preparation and continues even after graduation. We stand by you through this entire journey, providing you with the resources and support you need to succeed. Join us on this journey towards achieving your goals in the legal profession.

# **ABOUT CITY COLLEGE OF LAW**

City Academy Law College stands as one of the fastest emerging law schools in the city. The Institute aims to add new dimensions in legal education which would incorporate international standards, thereby providing an environment which would enhance freedom and innovation in the dynamic pursuit of thought and civil society engagement to advance the rule of law in our country. Since its very inception, the Institute has placed moot court activities at the pinnacle, keeping in mind the aspiration to nourish minds that are comfortable and skilled in dealing with the differing legal systems and cultures that make up our global community.
