## HIGH COURT OF DELHI AT NEW DELHI

No. 1399/CFM/DHC

## PRACTICE DIRECTIONS

Dated: 24.12.2024

Hon'ble the Acting Chief Justice on the recommendation of the 'Committee to consider proposed draft rules titled "Case Flow Management (Subordinate Courts of Delhi) Rules, 2008" alongwith the evaluation and Case Flow Management Rules in High Court of Delhi' has been pleased to issue the following Practice Directions for information and necessary compliance by all concerned:

- All non-contentious compromise based petitions involving quashing of FIRs be
  preliminary listed before Joint Registrar (Judicial) for criminal jurisdiction. The Joint
  Registrar can further verify and ensure compliance with the latest guidelines laid
  down by the Hon'ble Supreme Court in matters filed on the basis of compromise.
- The Joint Registrar may further verify through online modes, such as Aadhaar-linked verification systems and other e-KYC modes, the identity and free will of the parties involved in the compromise and ensure that their consent is genuine and not obtained under undue influence or pressure. The Investigating Officer may also be directed to appear before the Joint Registrar virtually for verification of identity of the parties.
- The consent hearings may be conducted virtually through secured video conferencing
  platforms. The parties, along with their counsel, may confirm the compromise before
  the Joint Registrar through virtual mode, which may further cut down delays caused
  by logistical issues such as personal appearance and adjournments.
- Once all the conditions of quashing the FIR have been met, the Joint Registrar, after being satisfied, may forward the matter to the Hon'ble Bench for final pronouncement, which would either quash or dismiss the FIR based on the preverified report. This process would significantly reduce the time of this court, otherwise, required by each Hon'ble Bench to scrutinize these compromise matters.

- A 'Consent Calendar' may also be introduced. This calendar would batch together all non-contentious compromise matters on designated days and the Hon'ble Judge shall review the pre-vetted petitions sent by the Joint Registrar and in cases where no judicial intervention is necessary, may pronounce the orders en-masse. This approach would significantly reduce the need for full oral hearings and thus preserve the precious judicial time.
- In cases where contentious issues arise or where the compromise does not fall strictly within the parameters laid down by the Hon'ble Supreme Court, the Joint Registrar can red-flag such matters and place them before the Hon'ble Bench for suitable orders. Thus, matters where contentious issues arise, may be listed for full hearing, thereby saving precious judicial time which can be spent on matters necessitating the application of judicial mind.
