This matter was twice posted at 10 am and had to be adjourned on account of request by learned counsel for one party or the other that they could not reach Court in time because of conditions of extreme traffic jam in the city.

While this Court understands that this is an unusual situation because of the presence of a large population visiting the *Mahakumbh*, it is the duty of the Police to ensure that movement of learned counsel to the Court is unhindered and does not affect the functioning of the Court. Any hindrance in the movement of learned counsel during Court hours impedes the process of dispensation of justice.

The Police Administration including the Traffic Police and the Civil Administration must understand that this is a High Court where the functioning of justice cannot be brought to a standstill because of contingencies. Special measures have to be made in this regard.

For a third time, we adjourn this matter as **fresh** again to **18.02.2025 at 10 am.**

Let this order be communicated to the Commissioner of Police, Prayagraj through the Chief Judicial Magistrate, Allahabad by the Registrar (Compliance) **today.**

**Order Date :-** 6.2.2025
